

# Presentation Guide

*Presentations should be **10 minutes maximum!**  
1 slide ~ 1 minute  
Each person in the group must speak for at least 1 slide.  
Speak loud enough so people in the back of the room can hear.*

*Make the presentation for a general audience i.e., the "**Grandmother rule**".  
Would your grandmother understand this presentation?*

*Document your work in a web-site --- "**If you didn't write it down, it didn't happen**"  
You can put as much detail as you want in the web-site. More detail is better.  
Make sure that the website is up for at least 1 year .  
Useful for jobs and recommendations*

*You need a poster presentation along with a demo as well.*
